RENTAL AGREEMENT

Rental Periods and Rates:

All rentals are available from FOTON after 3 pm on the day before rental day and must be returned before 11 am on the day following the last rental day. Example: pick up on Wednesday the 1st after 3 pm with return Friday the 3rd before 11 am equals one day. Equipment returned after 11 am on the day following the last rental day results in another day charge. All rentals are on a day-to-day basis with a one-day minimum.

Weekly rates and alternate pick up and delivery times are available only if agreed to in writing by FOTON. If renter is unable to pick up or drop off equipment, arrangements for delivery can be made, and a delivery charge may apply.

Equipment is considered rented and the full responsibility of renter for the entire rental period when equipment leaves FOTON'S premises. This includes travel to and from FOTON. Any third party authorized to deliver, hold or handle equipment is working as an agent of the renter and the renter assumes full responsibility. This includes, but is not limited to, airfreight shippers, hotel concierges, transportation companies, etc. Renter is responsible for all charges associated with shipment of equipment to and from FOTON.

All equipment rented from FOTON is tested and in working order before each rental. FOTON is not responsible for damage or delays in transport. It is the responsibility of the renter to determine that the equipment is in working order when received. Equipment is considered returned when it is received at FOTON'S premises in working order. All cancellations must be made at least 48 hours prior to rental reservation date. If FOTON is not notified at least 48 hours prior, a one-day rental charge would apply for the entire order.

Rental Charges, Deposit and Insurance:

Renter must provide an insurance certificate of liability insurance naming **FOTON, INC as Additional insured for no less than \$1,000,000.00 with respect to General Liability and as Loss Payee with respect to Rented and Miscellaneous Equipment.** The insurance policy must be valid for at least 30 days past the due date of equipment return. Policies with unattended vehicle disclaimers are not accepted. For insurance certificates, use this address in the "certificate holder" section:
